Eliot, Maine 03903
Tel. 800-639-7303 439-5584

Close up of erosion control mix.
It is coarser than mulch but does
not wash away like mulch.

A chronically eroding area on a slope under
pine trees is stabilized with erosion control
mix. Grass can not grow in this location.

There are absolutely no endorsements or approvals to these vendors by the Maine DEP. This list is for information purposes only and all benefits/risk are the responsibility of the buyers. There may be other suppliers. If there are other suppliers, the Non-point Source Training Center would be happy to add them to the list. Contact Bill Laflamme 287-3901, William.n.laflamme@maine.gov
